PESTICIDE POLICY STATEMENT

County Local Ltd are committed to supplying produce that is safe and legal.

We will only source product that has been grown in accordance with Good Agricultural Practice and from Growers that are registered with the Assured Produce Scheme .

We will ensure that all produce has been grown with due regard to the Code of Practice for the Safe Use of Pesticides on Farms and Holdings (MAFF 1998).

We will ensure all product has been packed in line with current Government Legislation including:

- Food and Environment Protection Act 1985 (Part III Pesticides)
- The Pesticides (Maximum Residue Levels in Crops, Food and Feeding tuffs) Regulations 1999 (SI No.3483) and amendments.
- Food Safety Act 1990 Sections 7, 8 and 14,

Products will then be packaged in a customer approved pack-house, holding a current BRC certification.

We undertake to carry out a comprehensive residue analysis programme based on risk assessment and to review this annually.
